

ENTERTAINMENT / EVENTS COMMITTEE MEETING SUMMARY

The Entertainment/Events Committee met on Feb. 4th 2020 with 31 present, this includes 1 new member.

Minutes were e-mailed to members and distributed at meeting to those not having e-mail, voted on and approved.

Finance report was presented, voted on and approved.

Committee reports were given by the lead persons. We are still in need of a couple of lead persons for a few events.

January events were positive with enough income to cover expenses plus a modest profit.

Victory Casino Cruise was well attended and enjoyed both January 16th and this past Wednesday. Mary Bonalle received from Victory Cruise Lines 3 free comp credits for the January and 3 for the Wednesday Cruise trips. She put all ticket holders names in a bucket and drew 3 winning names for each trip. The winners were awarded a refund towards their ticket purchase.

Recognition plaques were purchased and installed on benches by the boat house honoring years of service by Eleanor Gowell, Arlene and Bob Mellon.

Event tickets sold since last meeting totalled 897.

We are looking into purchasing a weather proof sign stand to help with event advertising.

Upcoming events were discussed for the remainder of the season.

Barb Daniels will be handing over the Records Keeper "secretary" torch to Cathy Martyn.

Two visitors were in attendance at our meeting.

Our next meeting will be held on March 3rd.
