

Thank you for this opportunity to be a candidate for the Board of Directors of Outdoor Resorts Orlando. My name is David Thomas.

My name is David Thomas married to my wife Denise for over 31 years. Best decision I have made. We have 2 great daughters who still live in the Dallas/Ft. Worth area. We have been full time residents in ORO since October, 2021, and love it. Thank you to all the residence we have met and who have helped us out. You are always asked who is the hero in your life, and I know without a doubt it was my dad, hands down. If I could only be apart of what he was.

I feel i am qualified for this opportunity for the reasons of being a business owner the last 32 years. I feel this offers me organization skills, how to have meaningful conversations to get what needs to be done. And to make sure, especially in todays world, that the majority get the strongest voice. This great resort needs that. With my good family background, a great core family with my wife and two daughters and many sisters, in-laws and family. With my business experience, I have the skills to make sure tasks and items of interest are completed, I would make an excellent candidate for the Board of Directors.

What i would like accomplished as a Board Member would be first, that the majority has the most important say in what happens in ORO. That the rules that are stated are followed to make ORO a better place to live and that the quality of living here either stays the same or exceeds all of our expectations.

1. Figure out a better phone, WiFi and TV service.
2. Get a solution to circulating the canal so we all can enjoy it.
3. A more secure boundary of the resort.
4. Have everyone know that they are important and a great part of the neighborhood with communication, involvement and activities for everyone.
5. That all properties are kept up to the ORO standards, no excuse.

Thank you very much for your time,
Sincerely,

David Thomas.
