Happy New Year ORO Owners!

The Office Staff would like to wish all of our residents the happiest of New Years. We look forward to exciting times as we continue our efforts to make Outdoor Resorts the best place to live in Central Florida. As you make those New Year resolutions, we would ask that you resolve to help make your community a better place to live. There are many ways you can get involved, attend the Annual Meeting, run for the board, get on one of numerous committees, place your house in the rental program, pick up trash when you see some lying around or simply be kind to a neighbor and ORO staff. We appreciate the support of so many of you and do try our best to do what is in the best interest for everyone. We look forward to working with all owners in 2023.

Have a great year everyone!

# President's Report

Happy New Year Owners,

With the holidays behind us and the New Year in front of us, I am sure many of us are thinking, "PHEW" WE MADE IT!

We are busy with the return of ORO snowbirds and those who spent the holidays away visiting families and friends. The safety committee reminds everyone that the speed limit in the park is posted 10 MPH, and we do have stop signs. Please follow the traffic rules, we don't want anyone getting hurt.

The Annual Meeting is scheduled for March 4, 2023. The first notice of the meeting is included in this newsletter. There are 5 positions up for election on the Board of Directors. If you have ever been interested in being on the BOD and have business skills that would help ORO, please consider running. The "Intent to Run" form is included and is also available on the ORO website or stop by the office for one. They must be turned in by January 23 at 3:00 pm. We are preparing the ballots for several items that owners will need to vote on this year. The list will be included in the 2<sup>nd</sup> notice including in the voter package to be mailed by mid-February 2023.

2022 has been a trying year for ORO. We had two serious repairs made to our sewer system. One involved moving a house from a lot to make the repair and the other we needed to remove the deck on the back of the house, dig down to repair the pipe and rebuild the deck. The roof on the Clubhouse was replaced as we continue to take care of this beautiful building. Our maintenance team also dealt with several water leaks in our aging infrastructure. ORO survived two hurricanes this year. We had little damage and were very lucky in the big scope of damage to Florida.

Our financial records continue to become more accurate. Thanks to the work of Treasurer Teri Gross and bookkeeper Debbie MacDonald. The financial audit is correcting previous errors in rentals financial reports. The audit for 2022 will be completed on time. The Rental Program is progressing and needs additional homes in the program. If this interest you, please contact Rental Coordinator Leslie Michaels.

The maintenance team is in the process of cleaning out old equipment and parts in the maintenance yard. Some projects have been completed from years past and the team is working diligently to reduce the list of older projects that were voted on in past years. The water line in the storage area was installed and will assist in keeping trailers and sheds looking better.

With the loss of Park Manager Gail Spence, we are actively seeking candidates for that position and hope to have it filled shortly.

As 2022 winds down, the Board of Directors is researching ways of making ORO a better place to live. The Board wishes everyone a Happy, Healthy, and Safe New Year and look forward to serving in 2023.

## NOTICE

FIRST NOTICE OF ANNUAL MEETING, ELECTION OF DIRECTORS AND PROCEDURE TO BE A CANDIDATE FOR THE BOARD OF DIRECTORS

### ANNUAL MEETING

The 2023 Annual Meeting of Outdoor Resorts at Orlando, Inc, a Condominium Association, will be held on Saturday, March 4th, 2023, at 10am in the Recreation Hall/Clubhouse on the condominium property. The Purpose of the meeting is to elect five (5) persons to the Board of Directors, each one for two-year terms, along with other business as may be lawfully conducted. You will receive a Second Notice of Annual Meeting that will specify the Agenda and provide other important information concerning the Annual Meeting.

### ELECTION OF DIRECTORS

There are five positions on the Board of Directors that will be filled by this election whose terms will expire this year. Along with the second notice of Annual Meeting, you will receive a ballot, ballot instructions, and candidate information. You do not have to attend the Annual Meeting to cast a ballot with your selection of the candidate(s) of your choice; just return your marked ballot to the office prior to the election date in the envelope that will be provided.

### PROXIES

Along with the Second Notice of Annual Meeting, you will also receive a Proxy form to be filled out. It is essential that you complete that proxy and return it in the envelope marked "PROXY". The proxy form, which allows you to appoint a Proxy holder, is the method by which the Quorum for a meeting will be established. An election may be held with at least 20% of all unit owner's ballots being cast. However, there must be 35%+1 of unit owners present, either in person or by valid proxy, in order to have a quorum to conduct other business.

### PROCEDURE TO BE A CANDIDATE FOR THE BOARD OF DIRECTORS

If you wish to run for the Board of Directors, you must give written notice to the Association office of your intent to be a candidate no later than January 23rd, 2023, by the close of business at 3:00 pm. For your convenience, a form is enclosed for you to use. You may submit a one page Candidate Information Sheet, no larger than 8 1/2 x 11 inches, (one side only) containing your qualifications and/or platform for office or use the one enclosed in the newsletter. The Association must receive the Candidate Information Sheet no later than January 27, 2023. The ballots, along with the information sheet, exactly as submitted, will be sent to each resident. If you have any questions concerning the meeting or the election process, please feel free to contact Association President David Beaudry.

***The office is receiving numerous calls and complaints about dogs.***

**This subject has been brought up at BOD meetings, homeowner forums and complaints filed in the office. Remember to pick up after your pet! Do not place your pet's waste in another unit owners garbage can, or in the bath house trash cans. We understand they are part of your family. It is your pet and your responsibility! We respectfully ask that you treat owners with respect when they see you not doing your job and say something to you.**

**We are hoping we don't have to go to extreme measures like some associations do.**

**Thank you! - ORO Board of Directors**

# Employee Christmas Party

The employee Christmas party was well attended. Employees enjoyed a hot lunch served by volunteers. They received their Christmas bonus check and had a choice of a gift or a gift card.

I would like to thank everyone from the servers, to owners and committees who donated money to give our employees a Thank You for Christmas for all their hard work keeping ORO going!

Safety Fred was the last one to eat, he was at the guard-house keeping ORO safe until he was relieved by Tammy Bailey, Thanks Fred!

A special Thank You to our volunteers who did the cooking, serving, cleanup and other duties. It is great to see everyone working together!
