Join us for an adventurous day in “The New England of the South”. We begin the day with a tour of the city. Pick out the places you wish to revisit later in the day when you are on your own.

Lunch will be in the historic Lakeside Inn. We next explore the lakes and canals of Mt Dora on the “Rusty Anchor” boat tour. As we cruise through ancient Cypress swamps in search of Birds, Turtles and Alligators we’ll explore “The most beautiful mile of waterway in the world!” There will be time later in the day to visit the city. You may bring coolers on this tour along with snacks. This is a cruise to remember!
