

**Roselle E. Howerter**  
9000 US Hwy 192, Lot 777,  
Clermont, FL 34714  
(443) 695-1445

**My husband and I have owned our property at Outdoor Resorts at Orlando since 1994 and have been Florida residents since 2003. We spend from Sept/Oct to April/May at ORO each year, roughly 7 months and travel most of the rest of the year, spending time in Maryland with 2 of our 3 grandchildren**

**I was on the ORO Board of Directors from Mar 2005 to Feb 2012. I have taken the Becker HOA/CONDO Board Member Certification class and have no problem taking the NEW 4-hour Board Member Course now required by FS718.**

**Over the years I have been involved in many volunteer projects within the community, i.e. Hosted both the Thanksgiving and Christmas Dinners for five of the last six years, current member of the Event/Entertainment Committee and past treasurer of E/E Committee.**

**While on the BOD, I was treasurer of the Board 4 ½ years out of the six years on the Board; volunteered as Board Liaison to BINGO, Coffee Club and Activities Committees**

**I am very knowledgeable of the ORO Sewer System and have been an advocate of repairing the current gravity feed system versus installing a multi-million dollar new system. As you know, ORO did received its Sewer Plant Permit and it is good through Sept 2028.**

**EDUCATION: Masters of Business Administration, University of Baltimore, 1989  
BS in Business Administration, University of Baltimore, 1985  
AA in Business Administration, Anne Arundel Comm College, 1982**

**EXPERIENCE:**

**For 30 years, I worked for Department of Defense and County Government in the Finance Area. I worked for Bendix Field Engineering, Gould, Lockheed Martin and GE. Dealing with mergers along the way. While the companies merged, the finance departments were required to manage finance reporting in a seamless manor, learning to work well with finance members of the new Corporations.**

**While working those 30 years, I managed budgets/contracts from as small as \$10K to as large as 3 contracts worth \$20M/year each. My responsibilities included preparation of cost estimates and program related financial reports. Performed detail cost, budget and variance analysis and presented results to both senior management as well as senior customer personnel.**

**I look forward to running for the Board of Directors of Outdoor Resorts at Orlando and believe my education, experience and previous Board experience is just what ORO needs.**

**Thanks  
Roselle Howerter, Lot 777**
