

Hello owners,

My name is Dawn Jackson. I am running for one of the seats on the board of Directors and I am asking for your vote. My husband Ron and I have been homeowners since 2019. This summer we became fulltime homeowners as we love this community and wanted to make it our fulltime home.

In my work life I served 5 ½ years in the United States Air Force. Upon discharge, I attended college and completed my degree in Health Information Management and passed the national boards. I served many roles in Medical Records until I became Director of Medical Records. I supervised approximately 25 staff and created /maintained my department budgets, wrote job descriptions and wrote/updated policies.

Presently, I hold a position on the Board of Directors and serve as assistant treasurer. I have gained valuable insights during my time on board. Understanding financial reports has become easier. This newfound comprehension is especially crucial as I also serve on the budget committee.

In my current role, I also serve as secretary for the Event and Entertainment committee and participate in both decoration committees and the compliance committee. Key accomplishments include contributing to the creation of the pet policy and smoking policies. I regularly attend ORO events and love meeting new people.

I would like to continue to serve on the board and represent the people of our great community.

Thank you,
Dawn Jackson
